# Computational Collective Intelligence Technologies And Applications Second International Conference

**sci 513 - recent developments in computational collective ...** - on computational collective intelligence that was held between 11 and 13 of september 2013 in craiova, romania. ... a. bădică et al. (eds.), recent developments in computational collective intelligence, ... recent developments in computational collective intelligence, **computational collective intelligence iccci 2018 - i-cu** - 10th international conference on computational collective intelligence iccci 2018 - influence power factor for user interface recommendation system author: marek krótkiewicz 1-0.16cmmarekotkiewicz@pwrkrystian wojtkiewicz 1-0.16cmkrystian.wojtkiewicz@pwrdenis martins 2-0.16cmddenisrtins@wi.uni-muenster subject **computational collective intelligence - gbv** - computational collective intelligence 8th international conference, iccci2016 halkidiki, greece, september28-30, 2016 proceedings, part ii ^springer. contents-part ii applications ofsoftwareagents agent-basedapproach for shipdamagecontrol 3 eugeniooliveira andpaulo martins a **computational model of crowds for collective intelligence** - in this work, we present a high-level computational model of it-mediated crowds for collective intelligence. we introduce the crowd capital perspective as an organizational-level model of collective intelligence generation from it-mediated crowds, and specify a computational system including agents, forms of it, and organizational knowledge. 2. **a simple computational theory of general collective ...** - abstract phenomenon of general collective intelligence as a computational property of varied team behavior. in order to conduct a marrian analysis, we de ne general collective intelligence as high performance of a group over a set of mathematically de ned tasks. this formal de nition shares the spirit of the empirical **computational collective intelligence - gbv** - xiv table ofcontents interlinked personal storyinformation and user interest inweblogby rss, foaf,and siotechnology 104 nurulakhmalbinti mohdzulkefli andbaharum bin baharudin social networks sustainablesocial shopping system 114 claris fee seung chung, romanproskuryakov, anddavidssundaram greysocial networks-afacebook case study 125 camelia delcea, liviu-adrian cotfas, and ramonapaun **1 computational analysis of collective intelligence ...** - collective intelligence 2015 computational analysis of collective intelligence - towards automatic detection of rationales in online deliberations taraneh khazaei, university of western ontario lu xiao, university of western ontario 1. introduction web-enabled collective intelligence platforms allow crowds to gather and contribute in solving the **computational and collective creativity: who's being creative?** - computational and collective creativity: who's being creative? mary lou maher university of maryland mlmaher@umd abstract creativity research has traditionally focused on human crea-tivity, and even more specifically, on the psychology of in-dividual creative people. in contrast, computational creativ- **lncs transactions on computational collective intelligence i** - transactions on computational collective intelligence (tcci) strives to cover new methodological, theoretical and practical aspects of computational collective intelligence understood as the form of intelligence that emerges from the collaboration and competition of many individuals (artificial and/or natural). the application **studies in computational intelligence - springer** - end users with collective intelligence and decision-supporting systems in an inter-cooperative mode. such integration and collective building of intelligence is raising many research and development issues and challenges due to the hetero-geneous nature of computational resources (sensors, devices, servers, data centers, **computational collective intelligence technologies and ...** - title: computational collective intelligence technologies and applications second international conference iccci 2010 kaohsiung taiwan november 10 12 part ii lecture notes in computer science pdf download **artificial intelligence and collective intelligence** - the collective may consist of a mixture of both. the rise of collective intelligence allows novel possibilities of seam-lessly integrating machine and human intelligence at a large scale - one of the holy grails of ai (known in the litera-ture as mixed-initiative systems (horvitz 2007)). our chap- **computer-mediated deception: collective language-action ...** - the efficacy of computational intelligence for adopting the collective language-action cues of human intelligence as stigmergic signals to differentiate deception. a study was conducted in synchronous computer-mediated communication environment with a dataset collected from 2014 to 2015. an online game was developed to examine the **Inai 9330 computational collective intelligence** - 123 Inai 9330 7th international conference, iccci 2015 madrid, spain, september 21-23, 2015 proceedings, part ii computational collective intelligence
